Dear Dr. Vagt:

Enclosed are comments on the Risk and Ecological Assessments for American Chemical Services. Also enclosed is an example of a hand calculated model for estimating contaminant concentration at the source. I believe Bob Swale had discussed this model with you. Please submit your revisions on the Risk and Ecological Assessments by September 16, 1991.

If you have any questions, please contact me at (312) 886-7067.

Sincerely

Wayde M. Hartwick
